HAVE FUN!!!

The image shows a digital art application interface. At the top, the text "HAVE FUN!!!" is displayed in large, blue, outlined letters. Below this is a software window with a blue border. The window contains a search bar at the top with the text "SEARCH FOR" and two checkboxes: "IN THIS SET" and "EXACT MATCH". Below the search bar is a grid of 20 cartoon characters, arranged in 5 rows and 4 columns. The characters are in various poses and outfits. To the left of the grid is a vertical toolbar with icons for adding characters, deleting, and other functions. Below the grid are navigation arrows and a "1/3" indicator. At the bottom of the window is a main toolbar with various editing tools: LOCK, SHRINK, ENLARGE, CLONE, FLIP, ROTATE, TO FRONT, TO BACK, DELETE, PROP, EMOTION, POSTURE, and COLOR. On the right side of the window, there are three large, empty white rectangular areas for editing or displaying the work.
